

Step Into Art!
Experiencing and Creating Art at the Sackler Museum
Saturday, May 30, 2009 11:30 a.m.-3:30p.m.

Step into the artist's studio! Discovering many different kinds of artists' studios -- from Monet's portable studio on the Seine River to Pollock's converted barn in East Hampton, N.Y. -- kids will explore artists' changing subjects and materials as they "step into" the visual worlds their paintings bring to life. Interactive art-viewing with drama activities and sketching in the galleries will lead to mixed-media art-making. Kids will "step into" the role of artist in the Sackler's workshop studio to create their own work inspired by the masters.

Sample Schedule:

11:30-12:00	Check-in and Lunch
12:00-12:30	Transportation to the Sackler Museum
