

EXECUTIVE EDUCATION REUNIONS - FREQUENTLY ASKED QUESTIONS

When will my class reunion be?

Each comprehensive leadership program (AMP, GMP, etc.) class will be invited back every five years (with the exception of newer alumni, who will first be invited back after 2 years out).

I don't see my class listed under 2017, 2018, or 2019. Does that mean I'm not having a reunion?

All Executive Education alumni will be invited back for a Fall Reunion. We do not have dates yet for 2020 and 2021 fall reunions, so reunion classes in these years are not listed on the website.

Will there be reunions during the same year as the Executive Education Global Leadership Summit?

Yes. The next Summit will take place August 22-24, 2018 and all Executive Education alumni are invited to participate. As the Summit is a unique program that will occur on alternating years, it has no bearing on the classes that are eligible to attend annual Fall Reunions.
